FASTER THAN EVERBATTING NELSON  
WORLD'S CHAMPIONGates Out Terrible Punishment  
and Batters Down the  
Mighty Gans.NELSON IN 17TH ROUND  
WITH LEFT TO STOMACHJoe Wagers Fortune on Him-  
self, and May Never  
Fight Again.

SAN FRANCISCO, July 4.—Battling Nelson today won the title of lightweight pugilist of the world from the man who defeated him at Goldfield, Joe Gans, in the seventeenth round of a fight as desperate as any that has been seen here in years. Fighting from the beginning to the end of the round, moving ceaselessly forward, never giving ground, Nelson, with a bulldog tenacity and wonderful stamina, slowly battered the veteran champion into submission. The fight was a sudden and there were no watches to mark the progress of the battle and saw Gans grow weaker and weaker from round to round but had no idea of the fate that awaited him. Nelson was sent to the floor in the thirteenth round, each time taking all the blows and a blow to the stomach ended the fight and as Gans toppled over, Nelson stepped forward and held him by the knees. He tried to regain his feet, but failed, and he counted out.

Rush to Arena. When 10,000 men, and some score of women who had gathered in the open arena on the San Mateo hills cheered Nelson who had become champion after a defeat, and rushed in frenzied enthusiasm to the pit of the stomach. Nelson was bowled over and Nelson was swept by his feet and hoisted on the shoulders of his friends to be carried about the arena and the tide turned in Nelson's favor. Nelson was calmly carried by his friends from the scene of his defeat.

The best man won beyond a doubt. "The fight was a sudden and there were no watches to mark the progress of the battle and saw Gans grow weaker and weaker from round to round but had no idea of the fate that awaited him. Nelson was sent to the floor in the thirteenth round, each time taking all the blows and a blow to the stomach ended the fight and as Gans toppled over, Nelson stepped forward and held him by the knees. He tried to regain his feet, but failed, and he counted out."

Looks Like 100 to 1 Shot. For the first five rounds Gans landed on Nelson, terribly punishing about the face. It did not look like Nelson had a chance in a hundred to win, but he never flinched and he closed quarters with the champion and swung his arms ceaselessly, making an opening. Finally in the seventh round Gans began to weaken and Nelson took the fight over. Nelson was in the seventh round he caught Gans by the body and landed heavily on the body. Thereafter it was Nelson's body. Nelson used all his skill and strength to stall the Dane's rushes and to stop him.

May Never Fight Again. Nelson, when seen in his dressing room after the fight, presented a battered appearance, but was apparently strong as when the fight commenced. "I knew I could lick him. I took all the blows and cleaned up a champion. I have won the lightweight championship and have all the money I want. I do not care if I never see my dog again. I may or may not, but I will fight again."

OLYMPIC SHOOTING  
STARTS ON JULY 9  
Tribune Special Sporting Service.  
LONDON, July 4.—The great Olympic games shooting competitions will begin at Bletchley on July 9, and will be continued on the two following days. The British entries are practically complete. In courtesy to visitors the conditions are framed so that the competitors will be able to observe that 200 meters for the rifle is an unaccustomed range. A liberal percentage of the total number of team contests are allowed to shoot in such a manner, but only the shots of the best competitor are included in the team's total. There are other conditions quite new, such as position taken up at the firing points in glancing over the line in the international match, which has to be fired at a series of distances up to 100 meters, several names of famous British shots are conspicuous by their absence. Some complaint is made on this account. The American team is headed by General J. A. Drain of the United States marine corps. The other members are Captain F. E. Evans, United States marine corps; Captain K. V. Casey, Delaware; Captain C. S. Brown, Delaware; Captain A. Greene, United States marine corps; Washington Major W. B. Martin, Delaware; Major C. E. Jeffries, Massachusetts; Major C. W. Under, Ohio; Lieutenant J. H. Smith, Ohio; Lieutenant J. H. Smith, Ohio; and J. W. Hesman, Delaware.

SPONGBERG PITCHES  
A NO-HIT GAMESalt Lakers Are Helpless, and  
Find No Bats Big Enough  
to Hit Ball.

Special to The Tribune.  
OGDEN, July 4.—By odds the prettiest game of all of the league games this season, and one of the best ever played on the local diamond was the one between Ogden and Salt Lake at the fair grounds Saturday morning. Never at any stage of the game did the Zions have a "look in" and the "Lobsters" won in a walk.

Most of the credit for the victory goes to Sponberg, the pitcher who hails from Idaho. Time and time again with lightning-like rapidity a batsman would retire after but three balls had been thrown over the plate.

The game was devoid of the usual number of errors, only three being credited to both teams. Manley for Salt Lake was batted freely, while Sponberg yielded no hits.

Umpire Dickson, a new official, gave entire satisfaction to both sides, although at times there were some close decisions. The score follows:

PACKY McFARLAND IS  
ENTITLED TO VICTORYOutfights Welsh in Last Seven  
of a 25-Round Boxing  
Contest.

RINGSIDE, LOS ANGELES, July 4.—In a twenty-five-round fight, remarkable for fast and clever work, "Packy" McFarland of Chicago and Freddie Welsh of England demonstrated their respective claims to consideration as lightweights before a crowd of nearly 4000 spectators, before the Jeffries club this afternoon. If a decision had been rendered, McFarland would have been given the victory, but the referee, who sent the Englishman against the ropes time after time, let the crowd believe that the bout would end in a knockout. In the twenty-fourth round Welsh was caught by right swings, that weakened him perceptibly, and from that time on he had all he could do to duck without showing his distress in too marked a degree.

The decision was, on the whole, a popular one. McFarland was a 2 to 1 favorite. The match was fought in open air, under a broiling hot sun, that may have weakened both men. James J. Jeffries refereed.

RUBE SMITH GIVEN  
DECISION OVER FIELDS  
GOLDFIELD, Nev., July 4.—Rube Smith of Denver was given the decision over Frank Fields of Goldfield at the end of twenty rounds of fierce fighting at the Hippodrome this afternoon. Up to the last round the contest was a close one, the concluding round Smith had Fields in a bad way and won the well-earned decision. The men fought at 145 pounds.

Local Crickets Win.  
The Salt Lake Cricket team beat a picked team from the state at Liberty park Saturday afternoon by a score of 121 runs to 82. E. Becker of Ogden was the top scorer for the home team, with 45 runs. The team was composed of E. Becker, H. A. James, A. Adams, J. B. Ferguson and E. Lillywhite were the top scorers for the visiting team, with 32, 25, 20, 15 and 10 runs respectively.

The Salt Lake team will play the best team of Denver here in August for the intermountain championship.

Soldiers Shut Out.  
There was a baseball game played in Murray Saturday afternoon which went down in history as a pretty one-sided affair. The Murray team, composed of soldiers, shut out the Douglas team, Murray run the bases so hard that the men had to stop batting. The weather was a trifle warm for great excitement, but the game was well played throughout the game.

WELSH SURPRISES  
McFARLAND BACKERS  
CLARKE IS NO MATCH  
FOR HARDY DOWNING

The largest crowd of the season witnessed the bicycle races at Saltair Saturday evening. No records were broken on this occasion, but in the afternoon one track record was sent glimmering, three-fifths of a second being cut off the half mile open professional by Clarke. The former record of 38 seconds was made by Iver Lawson on July 23, 1907. The attendance in the afternoon was hardly as good as that of the evening. About 2500 people were present at the evening races.

The evening races were marred just a little by the action of Diefenbacher, who failed to finish the final heat in a time which would have put him in the money. In the afternoon, in a half-mile match contest Diefenbacher defeated Schnell, taking the last two of the three heats. In the evening, he took the first heat from Schnell, was disqualified in the second and lost the next, but failed to finish in the final heat of the contest. Then again in a pursuit race, scheduled to be a five-mile race, J. Clarke stopped after going two miles, his reason being his inability to follow his pace without losing the same. Clarke rode an ordinary bicycle, while Downing rode a pace-following machine.

Other contests of the evening were exciting and full of close finishes. The final of the half-mile open professional in which the record was broken, proved to be the most interesting of the lot. Palmer started out strong, with the bunch following, but at the close of the second lap he swung up the track to give Hollister the lead. Hollister led the next two laps and then Clarke swept around the bunch, winning by a couple of lengths. J. Clarke, who started a poor start and was compelled to plug it alone during the greater part of the contest, finished second, with Hollister close behind.

Following is the summary:  
AFTERNOON RACES.  
Half-mile amateur match—Diefenbacher first, Schnell second. Time, 1:09, 1:10, 3:5, 1:11.  
One mile open professional—Clarke first, May second, Hollister third, Palmer fourth. Time, 5:25.  
Five-mile amateur match—Turville first, Samuelson second. Time, 2:24, 2:53, 2:21.

Evening Races.  
One mile amateur match race—Schnell first, Diefenbacher second. Time, 2:24, 2:53, 2:21.  
Quarter-mile open professional—May first, Hollister second, Mitten third, Walker fourth. Time, 29, 2:2, 2:3.  
Two-mile lap race, professional—Clarke first, May second, Hollister third, Walker fourth. Time, 4:07 1-5.

WORLD'S DRILLING  
RECORD IS BROKEN  
Special to The Tribune.  
BINGHAM, July 4.—Judge A. J. Weber of Salt Lake City delivered a stirring address here today, the speech being the principal feature of the Fourth of July celebration. The festivities started with a parade in which all of the labor organizations and some of the merchants participated. There were two bands. The sporting events were pulled off at Carr fork in the main canyon, and the results were as follows:

Drilling contest: First prize, \$100; Charles Anderson and Emil Johnson, 47 1/2 inches. Time, 15 minutes. This is said to be the best record ever made in the world. Second prize, \$50; J. Linden and Harry Rotted, 42 1/2 inches. The drilling was done in granite.

The horse race between Nos. 1 and 2 of the morning and afternoon races was won by No. 2. The purse was \$100.

The Combination club, which posted pools on the Gans-Nelson fight, lost \$1200.

M'FARLAND BREAKS  
TWO-MILE RECORDDefeats Samuelson in Exciting  
Pursuit Race From Oppo-  
site Sides Track.

W. E. Samuelson, "the pride of Provo, etc.," who hails himself as the champion pursuit rider of the world, was taken into camp by F. A. McFarland on the Salt Palace saucer track Saturday night in the presence of a large crowd. McFarland beat his man in two miles in such a decisive manner that he left no room for doubt as to which is the best unpaced rider, and also broke the world's record for two miles in this style of race, covering the distance in the fast time of 4:02.

At the end of seven laps McFarland's tire was punctured and he was forced to stop. The tire was repaired and the race was started from the point it left off. McFarland was the first to start on the high turn going out of the home stretch, while Samuelson started in the back stretch, which gave him a big advantage. McFarland refused to start from the place given him and Referee Conley informed him that he would either start or take a lay-off. This made McFarland so mad that he got on his wheel and when the pistol was shot
